

Both Liberals and Conservatives Agree:

The Feds' illegal surveillance of citizens threatens America's freedom!

How to Make Sure **Big Brother** ISN'T Watching You!

Power-mad government bureaucrats are misusing laws designed to hunt terrorists in order to illegally spy on law-abiding Americans. The Feds now routinely tap people's phones, comb through bank and credit card records, and scan all email and PC browsing. Fortunately, simple, 100% legal tricks used by Hollywood celebrities can make you "invisible" to government snoops. Inside, discover...

PRIVATE COMMUNICATIONS:

New ways to make your telephone, email, and written communications confidential again—and out of reach of the government's illegal wire-tapping systems. *See page 5.*

LAWYER-PROOF YOUR LIFE:

And make yourself invisible to out-of-control prosecutors, predatory trial lawyers, and over-zealous government bureaucrats. *See page 15.*

TOTAL FINANCIAL PRIVACY:

Move as much money as you want offshore, earn decent market rates of return, have access to your money at any time, and don't report a dime to the Government (100% legal and it has nothing to do with offshore banks, trusts, or anything shady). *See page 5.*

And LOTS MORE... INSIDE!
